## DARTBALL SCHEDULE

Mar. 14 Trinity @ home  
Apr. 04 Make-ups or play offs  
Apr. 18 Dartball Banquet @ St. L.  
**"The 1/64 inch story"** Last night at the league dartball tournament it was the good the bad and the ugly. The good: Game 1 featured an exciting 2 run home run by Tom Geraghty with 2 outs in the bottom of the last inning and trailing by one. A dramatic win and a terrific celebration followed. The bad: On to game 2, and the tables were turned. Tom again had a 2 run home run, this time in the top of the last inning to give the Oxen a 1 run lead, but with 2 outs and a runner on base the opposition had a game winning 2 run home run. The ugly: Now on to game 3, last inning again and bottom of that last inning with runners on 2nd and 3rd and down by 1 George Brasel threw a beautiful dart right to the double area and at first appeared to be the game winner, It landed just 1/64" outside the double area. 1 win, 2 losses for the tournament. Season ends this coming Monday @ St.Lucas.

### HOW DOES YOUR COMMUNITY GARDEN GROW?

A generous donor gave two boxes of Burpee Seed packets to Cindy's Corner – almost 1100 packets of seeds from beans and peas to carrots, corn, and cucumbers. We also received parsley, sage, rosemary and thyme! Did I mention that we have dill? It's a wonderful start on 2016's Community Garden! Additionally, we are discussing options for distributing the seeds we are not able to use. Any ideas or suggestions members and friends of St Lucas can offer are welcome.

If this were not enough to start us thinking GARDEN!!, Toledo GROWS staged their Annual Seed Swap last Saturday, filling Scott High School's Field House with seeds, displays, how-to workshops, children's activities, and just general Spring-is-coming-let's get-our-hands-dirty anticipation. Their demonstration gardens at the Robert J. Anderson Agriculture Training Center on Oneida Street offer ideas and training for students who are studying urban agriculture, Toledo youth who are educated on growing sustainable nourishment, and the home or community gardener who needs some help and advice. Please

### OLD SOUTH END CHARRETTE

Since late 2014 the Toledo Design Center, in collaboration with the Broadway Corridor Coalition, has been working to develop a new Master Plan for the Old South End. The planning process has included significant data gathering and citizen input and a Preliminary Framework Plan has emerged. It is now time to further explore some of the Plan's key recommendations. To that end a Design Charrette is scheduled. The Charrette is a highly interactive workshop/brainstorming event uniting local architects and planners with a diverse cross-section of OSE stakeholders, from residents to business owners, working together to refine and better illustrate/explain the Plan's proposed initiatives. Please plan on attending the Charrette on Friday-Saturday, May 20-21 at the Sofia Quintero Center on Broadway. Friday 3-9 or so, Saturday 9-1pm

**FREETASTESGOOD** Supper next Sunday @ 4pm

*SPRING is only 7 days away.*
