

WELCOME TO ST. LUCAS! We are glad you are here. Please fill out the *I'm Here Today* card in your worship folder and drop it in the offering plate. May our Lord bless your worship with us.

CHILDCARE AREA & RESTROOMS For families with infants & toddlers there is a nursery area in the lower church that has speakers so you may listen to the service while you attend your children. Restrooms are also in the lower church. You may access these areas via the narthex stairwell or the stairwell by the baptismal font.

 **MEMORIAL/HOPE CANDLES** Worshipers are invited to light candles in remembrance of a loved one or of hope against some darkness in their lives. These remain lit during the service only. Prayer intention candles are under the crucifixion side hymn board main sanctuary and at the front altar lower church for Saturday worshipers.

SUNDAY SCHOOL September-May we offer Sunday School every Sunday at 9:15 am in the education building for all ages preschool—adult. All welcome.

FROM THE GARDEN

*Growing for our Neighbors
We plow the fields and scatter
The good seed on the land...*

The St Lucas Community Garden is filling up! We have ten beds still available for planting – all we need are the gardeners. If you want to grow good things to eat for yourself, your family, the Cindy's Corner lunch program, or all three, we have the spot where you can do it! Request a half bed (4' X 4') or a full (4' X 8') bed. Sign up forms are available from the Church Office, the information table after Sunday Services, at Cindy's Corner lunch program, or from Garden Coordinator, Michael Biscay – mbiscay@hotmail.com or 419-244-2243. We have seeds and even some plants started that will get your plot going quickly.

Other ways you can help in and around the garden:

We have free compost and mulch available to us if we can get a pickup or other truck to go get it. Do you have a truck we could use, borrow, or otherwise utilize for an afternoon?

We could use several more old tires for planting climbing vines (Squash, Melons, Cucumbers, etc) along the garden fence. If you have one or two old tires around, please leave them at the garden edge and we'll get them working. Six tires, maximum please – we don't want to turn into a tire dump.

We will be offering a short workshop on vertical gardening soon – how to grow many plants in limited space. Save 6 or 8 2-liter pop bottles with caps and indicate your interest on the back of your "I Worship Today" card. See you in the Garden! Mike

DO YOU HAVE AN OLD PHOTO OF THE

CHOIR? The archives is looking for choir pictures. We have robes to display and we would like pictures of our members participating in the children's choir (white and/or burgundy robes), jr. choir, and adult choir. We also have old acolyte robes in both red and black with the white surplice over it. We would like to make a display in time for the Historic Maker dedication.
