The "Thank You" Edition

There have been many acts of generosity lately and we wanted to express our appreciation. Throughout this issue of the (appropriately named) Acts of St. Lucas, you will find mention of these blessings. Take a look; we really do have a great many people who passionately serve the Lord at St. Lucas

Chandelier Improvements Have Been Funded

Chandelier over the piano donated by Ron & Susan Lang. **Chandelier over the baptismal transept** donated by Mike & Karen Bisscay. **Center chandelier** donated in memory and honor of the Kanke, Luttrell, Chambers Kruse, Suhrbier, Meinen and Gallagher families by Phil Chambers and Carol Gallagher. **Chandelier at the balcony** donated by anonymous in the name of the choir. In addition to these sponsorships, John Tincher has donated \$300 to sponsor the **front center chandelier** that has already been changed out with LEDF bulbs.

Per the Treasurer's report from January's council meeting, \$1550 was received for the light bulb replacement program in the Main Sanctuary chandeliers. \$1400 has been disbursed so far to the property committee in the form of Menards gift cards through our Scrip Program.

Church Council will be installed on February 1st at all weekend services.

PASTORAL ACTS

BY PASTOR MARTIN BILLMEIER

Here are a few of the messages in Christmas cards that we received from folks who eat at our Cindy's Corner Café:

“God Bless St. Lucas. Thank you for everything.” Brad “Thank you very much. We are thankful for you being here. Hope you all have a very Merry Christmas and a Happy New Year.” Joe “This program is the best thing for South Toledo. I thank God for all of you helping us out. Have a blessed year.” Love you all, Manuela and children. “I appreciate everything St. Lucas does for me. It really helps.” “The staff is helpful and kind and the food is wonderful and tasteful. Jesus Christ is Lord Savior.” From Harly D. “P.S. Please help us all and lots of love.”

“Thank you for all you done for us. Keep up the good work.” From John “This lunch program has given me the chance to socialize with people who at this moment aren't drinking. I'm retired and happy to come here.” Rojelio “This church has been a God send to me and my family. I pray that I am able to provide for my daughter this Christmas and may everyone have a great new years.” Shaquena “I want to thank you for all you do for me. I would like you to pray that I get a job soon and able to keep it. If this is not too late pray for my cat Dugan.” Diane “Thank you for being here for me and the rest of neighborhood. This is a very good thing you provide, and I greatly appreciate you for being here at St. Lucas.” Not signed. “God bless you all.

Without you – many wouldn't have a nutritious and delicious meal! God Bless. Thank you all. I pray 4 your continued good works.” Michael “St. Lucas has done so much for this community this year. Has helped me out with food, hygiene products, and clothes. I personally appreciate all that St. Lucas has done to help me make ends meet. Thank you.” Your Brother in Christ.

“This program and other specials have helped me and others over the years. My child has been to summer programs and enjoyed it very much. Keep it up.” “Thank you guys for providing a place for people in our community to come and be around each other and get to know each other. Thanks for feeding us too. Pray for more love in this world of ours.”

Many years ago St. Lucas made the decision to reach out to our neighborhood. At the time we did not know what form that would take, but God knew, and we waited for God to bring it about. The effect of our ministries on individuals and families comes through. It's not just about providing food and other necessities; it's also about creating a social space where people may get to know one another and find a place where they experience love. It is about relationships: how our relationship with each other leads to relationship with God. Jesus did it in his ministry. We seek to follow his lead. Thanks be to God whose Holy Spirit continues to build a church here.

Fall Stewardship Campaign Report—Updated Figures

We had a great response to our 2014 fall stewardship campaign. This year so far we have had 70 households return commitment cards for 2015, but the campaign is not ended yet. By comparison last year we had 69 commitment cards total when the campaign ended. Here is a comparison from last year to this year of total estimates of giving to each fund:

	2014	2015
General Fund	\$102,496.00	\$110,854.00
Benevolence	2,608.00	3,003.00
Capital Improvements	3,234.00	3,221.00
Sunday School Window Fund	1,214.00	2,130.00

As you can see estimates of giving increased in every category except for a slight decrease in capital improvements, but that is offset by an increase in the Sunday School window fund. We are grateful for all of our members and friends who have supported the mission of St. Lucas in the past including you. God bless all of the New Year.

WE NEED SOME MORE STUDENTS

We have wonderful teachers at St Lucas. Katina has a thought provoking and interactive lesson for the Youth on Sunday morning. Pat is an excellent teacher for the elementary grades. She is joined by Yvonne so the students have an ongoing craft project every Sunday. If you visit the Sunday School, you will see their artwork partially completed or waiting for the paint to dry, on the table in the Elementary classroom. The complexity of some of their projects would surprise you, too. After a short Christmas break, Mark Storer is again teaching the Adult Sunday School class every Sunday at 9:30. Sandy is the loneliest teacher in the building because attendance is so sporadic in the K-PreK class. We have an excellent classroom, excellent material, a great caring teacher! If you know some preschool children in PreK or K, please give them a special invitation to attend Sandy's class. Superintendent Joe will be chairing a Christan Ed meeting soon and welcomes any and all comments you may have about the St Lucas Sunday School. The students that attend enjoy being there. They are vocal in their appreciation of their activities, Bible stories, acceptance by their teachers and other students, and the welcome and caring environment. All prayers for the St Lucas Sunday School, its Teachers, Students and Superintendent, are welcome and needed!

HAVE YOU CONSIDERED BECOMING A VISITING ELDER?

St Lucas has a program that pairs a volunteer with people who cannot attend church any longer. Some of them live in their homes or apartments, some of them in assisted living, some of them in nursing homes, and some in specialized Alzheimer's units. Our congregation includes people of all ages, and with the older members, there are going to be Sundays where attendance at St Lucas is not an option.

In the Parish News every week, there is a list of people who are not able to attend church. Special prayers are spoken naming them specifically during each service. On the third Sunday, the Visiting Elder takes communion to them. Although the main reason is the ministry of giving the sacrament to them, there is much more to the process than that. It shows that someone from St Lucas cares about them, that they are included in the ministry of St Lucas, that they have not been forgotten and that news from them will find its way back to the congregation.

Training is provided and it is a once a month third Sunday commitment.

With some trepidation, I signed up to be a Visiting Elder several years ago. Until you've tried it, how do you know what to expect? I went with another visiting elder the first few times. Since I have been attending St Lucas such a long time, I know everyone I go to see. They recognize me as someone from St Lucas even if they don't know me or remember my name. Like all other ministries involving St Lucas, the purpose is to visit a shut-in, but the benefits turn out to be much more than that to the Visiting Elder. A visit might be difficult because they are having a bad day or are very tired and uninterested in their surroundings. On other visits they want to talk about other people at St Lucas, when the Pastor will be visiting them, how they're doing. At every visit we sing a song from that morning's worship bulletin, read some Bible verses hopefully together, say the Lord's Prayer together right before receiving Communion, and have a blessing and prayer at the end. I usually take them a Bulletin and show them their name in print as someone who was prayed for at church that morning. This means a lot to them. St Lucas has a number of visiting elders and the pairing has to do with geography more than anything else.

I have learned about St Lucas by visiting people. They tell me stories from years ago. Thelma Chaplin remembered when the Sunday School building was planned and built and how important it was to St Lucas to have this facility. I asked her about all those stairs!! The Gym needed special placement, as we can see today. Ray Pockmire would tell me stories about what it was like to go to St Lucas as a kid. People have told me about their weddings, baptisms of their children, first communions, confirmations, funerals. Eileen LeRuth had photographs of St Lucas from decades ago. Most of the people I have visited have at one time been Sunday School teachers.

Lee Jagodzinski coordinates the Visiting Elder program. The church office would welcome your call if you want more information or are interested in becoming a Visiting Elder. If you would like a visiting elder to come and see you and you're not on our list, call the office so your name can be added.

Cont. from page 3

WHERE ARE THEY NOW? I don't know about you but I am missing The Vicar of Walbridge article in the Acts and also the view of our church from the Mouse Guenther and his lovely wife, Guentianna. That means, of course, that I miss Wendy Sherer, now residing in London, and Dave Jerman, now residing in Powell while taking care of his Mom. My niece, Britta, set up a Facebook page for her cat, Izzy, a couple years ago. She hasn't been writing much on her page -- Britta not Izzy -- and I miss those amusing short and candid remarks from a cat's imagined point of view.

If you're interested in the St Lucas Sunday School, please give me a call at 419-351-5804. You can also text. Or email stlucasoffice@gmail.com and put Christian Ed in the subject line. Sunday School is every Sunday from 9:15-10:15 from the Sunday after Labor Day through Memorial Day. The Adult class continues after Memorial Day with some scheduled summer classes.

Thank You

THANK YOU to all who supported the Christmas baskets, Youth cookie sale, poinsettia sale, and Cind'y Corner Christmas gift donations.

THANK YOU Rick Charchol and Lee Jagodzniski for donating a new Christmas tree for the main sanctuary. It looks great, doesn't? The old one had a big section of burnt out lights.

THANK YOU to all who helped to decorate...and then un-decorate...the church for our Christmas season.

THANK YOU to our wonderful musicians. Ed Bloedow plays the oboe, Ron Lang and Rob Dauel play the trumpet. And this year Ron Lang played his new Alpine Horn he acquired while on vacation in Europe. Did you see the pictures in last month's newsletter?

EMAIL GREETINGS

Thank you so much for the ACTS truly enjoyed seeing the church decorated as I always remember, so beautiful. I truly hope that St. Lucas will have all the best in 2015. This will always be my home church in my heart. No church could ever take its place. St. Mark's where I am now in Grand Rapids, Michigan is very nice. The people are very friendly and church is beautiful in a modern way. Since I go to 11 am church this is contemporary service, which I do like which surprised me, but do miss our service in St. Lucas. They do have a lot of children in service and children's choir,. We also have an elementary school. I wish everyone well and Pastor Billmeier I will start listening to your sermon also.

This has been a beautiful Christmas for me because we were finally able to have all of our family together first time in many years. It wasn't a WHITE CHRISTMAS but it made easy for being on road to my son's. I wish everyone a Blessed 2015 hope to see everyone once weather is safe to travel to Toledo.

Sincerely, Ruthann Couturier ruthfc11@yahoo.com

More Thanks....From the Scrip Program

You folks are amazing, St. Lucas. Our profit from the sale of scrip cards for Christmas starting with November 17 and ending on December 31, 2014 totaled \$717.61. That is a big deal. Thank You. And a big thank you to all of you who buy scrip gift cards week in and week out. When you use your Kroger rewards keychain card, we usually get a check for \$550/quarter. We will have those windows paid off in no time. As always, contact Carmen Ball or Georgia Steele (419) 215-4150. Revised order blanks are printed on white paper and are in the narthex.

A brief explanation of our Scrip Program: We buy our gift cards from Northwest Ohio Scrip Association. When we buy a \$25 Speedway gift card, we only pay \$24. The \$1 Profit stays in our Window Fund bank Account. That is 4%. The Menards gift cards mentioned in the chandelier article yield 3% or \$42 in this case. There are some vendors, mostly restaurants, which yield as much as 18%. So, for example, a \$25 gift card to Spaghetti Warehouse would give us \$4.50.

When you use your Kroger rewards keychain card the Kroger Co. adds up all the rewards for the quarter and sends us a check which we deposit into the Window Fund account. So you see, many people helped to bring in \$717.61 in just a few short weeks. **THANK YOU. You are wonderful.**

Please consider buying a weekly gasoline gift card. We have Kroger gift cards you can use at the pump.

30 Christmas dinner bags were distributed as part of the St. Lucas social ministry outreach. The bags included a semi-boneless ham (Kroger gave us a good price), instant potatoes and stuffing, fruit, vegetables, and dessert cookies. Recipients offered prayers of gratitude and thanks to God at the altar along with special requests

for healing and other needs. We are thankful God provides so that we can offer them nourishment, comfort, and hope. Mr. & Mrs. Santa Claus were in the narthex to bring joy to the children with a stuffed animal from Cindy Kirk. We thank the congregation for financial support of this outreach, Jeannie Dennler who conducted the healing, Cindy's Corner for an additional bag of groceries from their pantry supplies, and to friends of Bill Dennler's for giving St. Lucas their usual gracious assistance. Proceeds of our Bob Evans fundraiser held May 1st were used as well. Now we look forward to making our Easter plans.

Social Ministry committee: Bill Dennler, Cindy Kirk, Joyce Mease, (Dave Jerman and Sally Ortiz were excused due to family duties).

We miss you, Guenther.

When ya comin' home?

Happy Valentine's Day Everyone.
